## Notifications

We respect the intellectual property rights of others. If you believe that any material available on or through the App infringes upon any copyright you own or control, please immediately notify our Designated Copyright Agent using the contact information provided below (a "Notification"). A copy of your Notification will be sent to the person who posted or stored the material addressed in the Notification. Please be advised that pursuant to the law, you may be held liable for damages if you make material misrepresentations in a Notification. Thus, if you are not sure that material located on or linked to by the App infringes your copyright, you should consider first contacting an attorney.

All Notifications should include the following information:

- 1) A physical or electronic signature of a person authorized to act on behalf of the owner of an exclusive right that is allegedly infringed;
- 2) Identification of the copyrighted work claimed to have been infringed, or, if multiple copyrighted works on the App are covered by the Notification, a representative list of such works on the App;
- 3) Identification of the material that is claimed to be infringing or to be the subject of infringing activity and that is to be removed or access to which is to be disabled, and information reasonably sufficient to permit us to locate the material;
- 4) Information reasonably sufficient to permit us to contact the complaining party, such as an address, telephone number, and, if available, an email address at which the complaining party may be contacted;
- 5) A statement that the complaining party has a good faith belief that use of the material in the manner complained of is not authorized by the copyright owner, its agent, or the law; and
- 6) A statement that the information in the notification is accurate, and under penalty of perjury, that the complaining party is authorized to act on behalf of the owner of an exclusive right that is allegedly infringed upon.

## **Counter Notification**

If you believe your own copyrighted material has been removed from the App as a result of a mistake or misidentification, you may submit a written counter notification to us using the contact information provided below (a "Counter Notification"). To be an effective Counter Notification, your Counter Notification must include substantially the following:

- 1) Identification of the material that has been removed or disabled and the location at which the material appeared before it was removed or disabled;
- 2) A statement that you consent to the jurisdiction of the judicial district in which we are located;
- 3) A statement that you will accept service of process from the party that filed the Notification or the party's agent;
- 4) Your name, address, and telephone number;
- 5) A statement under penalty of perjury that you have a good faith belief that the material in question was removed or disabled as a result of a mistake or misidentification of the material to be removed or disabled; and
- 6) Your physical or electronic signature.

If you send us a valid, written Counter Notification meeting the requirements described above, we will restore your removed or disabled material, unless we first receive notice from the party filing the Notification informing us that such party has filed a court action to restrain you from engaging in infringing activity related to the material in question. Please note that if you materially misrepresent that the disabled or removed content was removed by mistake or misidentification, you may be liable for damages, including costs and attorney's fees. Filing a false Counter Notification constitutes perjury.
